

PETER TRIANTOS & APJ

Artists for Peace and Justice

Peter was honoured to donate marvellous piece from his "Aphrodite Jelly Bean" series to the wonderful "Artists for Peace and Justice" 2021 gala. Over \$500,000 in funds were raised that evening, in addition to 32 million raised in the past 12 years, to further education in Haiti. We are honoured to participate in supporting such an incredible, important cause.
