

# PETER TRIANTOS

## ART GALLERIES

It was with great honour that internationally renowned contemporary artist Peter Triantos has donated one of his incredibly popular 'Jelly Bean' works in support of the Amari Thompson Soiree that took place on Thursday August 1st, 2019. The Amari Thompson Fund is a division of Epilepsy Toronto, an organization raises funds and awareness for epilepsy offering programs for people of all ages. The Amari Thompson fund was initiated by NBA player Tristan Thompson in honour of his younger brother, Amari. This fund helps over 40,000 families who have children with epilepsy.
