## PETER TRIANTOS X SCOPE NEW YORK INTERNATIONAL CONTEMPORARY ART SHOW

We are proud that Peter was selected to participate in Scope New York and we are very thankful to each and every one of our friends for a successful show! Congratulations on all of those who acquired spectacular paintings! The incredible support shown by friends led Scope to mention us as one of the strongest galleries in their post press release; and thank you as well to the Scope team for making the experience enjoyable and inviting us to the upcoming Scope Basel and Scope Miami art fairs. They were a pleasure to work with.

Exhibitors reported multiple acquisitions by notable private collections, including Chicago's **Good Details Gallery**, who offered praise for the show, "*SCOPE is the best fair to build a solid reputation for our exhibition program. We were very impressed by the quality and quantity of serious collectors that we engaged with at SCOPE New York.*"

Also reporting strong sales: **Roman Fine Art, Oxholm Gallery, The Chemistry Gallery, En Foco Gallery, Galería Otros 360°, Haven Gallery, Wall Works NY, Mugello Gallery, Art Helix, NL=US, Peter Triantos Galleries, Vivendi Gallery, Lilac Gallery, Galerie Bresil, CK Contemporary, FF-1051, X-Pinky and Stephen Romano Gallery** who said:

*"I've been in this business for 25 years, and SCOPE New York 2018 was without any doubt the best fair I've had the honor of exhibiting in. The crowds were relentless and included notable critics, curators, consultants and collectors from all over the world. Sales were brisk and I cannot even imagine presenting the works of my artists in any other art fair. The organizer's efforts to present the artists in a context of the highest integrity is evident by the cohesive nature of the show as a whole. I will definitely be participating in SCOPE New York 2019."*

Thank You!
