their 20th Anniversary!

Dear Friends and Family,

Happy holidays! December is our favourite month of the year and we send our best wishes to you! There is also lots of exhilarating news we cannot wait to share with you!

First of all, our new flagship YORKVILLE GALLERY will be opening NEXT MONTH! It's situated on 21 Avenue Rd, right in the heart of Yorkville! We're excited to host shows, exhibits, and launch NFTs here and we'd love to see you visit us soon! Spectacular new pieces that's never been unveiled will be moved from Peter's studio to the glorious gallery!

We are pleased to share that Peter has returned from an immensely successful exhibit at SCOPE Miami Basel, where he unveiled magical AR (Augmented Reality) pieces, and a special commissioned piece for Jeff Hamilton, the favourite designer of NBA stars and celebrities! Peter Triantos Art Galleries would like to say big 'Thank You' to our friends and collectors who attended and acquired Peter's intriguing pieces! We are honoured and thrilled to bring Peter's joyful, sensational artworks to this worldwide recognised art fair.

We are so surprised yet happy to announce that Peter's striking 'Untitled #118' painting has been returned by the Metropolitan Toronto Police. CBC News interviews Peter Triantos. Peter has also completed some spectacular great new pieces, which will be virtually unveiled below in the brochure! As a philanthropist and humanitarian, Peter has always strived to create a better world through his unparalleled artistry. Congratulations winners of the donated artworks to CANFAR and Children's Aid Foundation & CIBC, helping underprivileged children and medical research continue, and be the focus of his works.

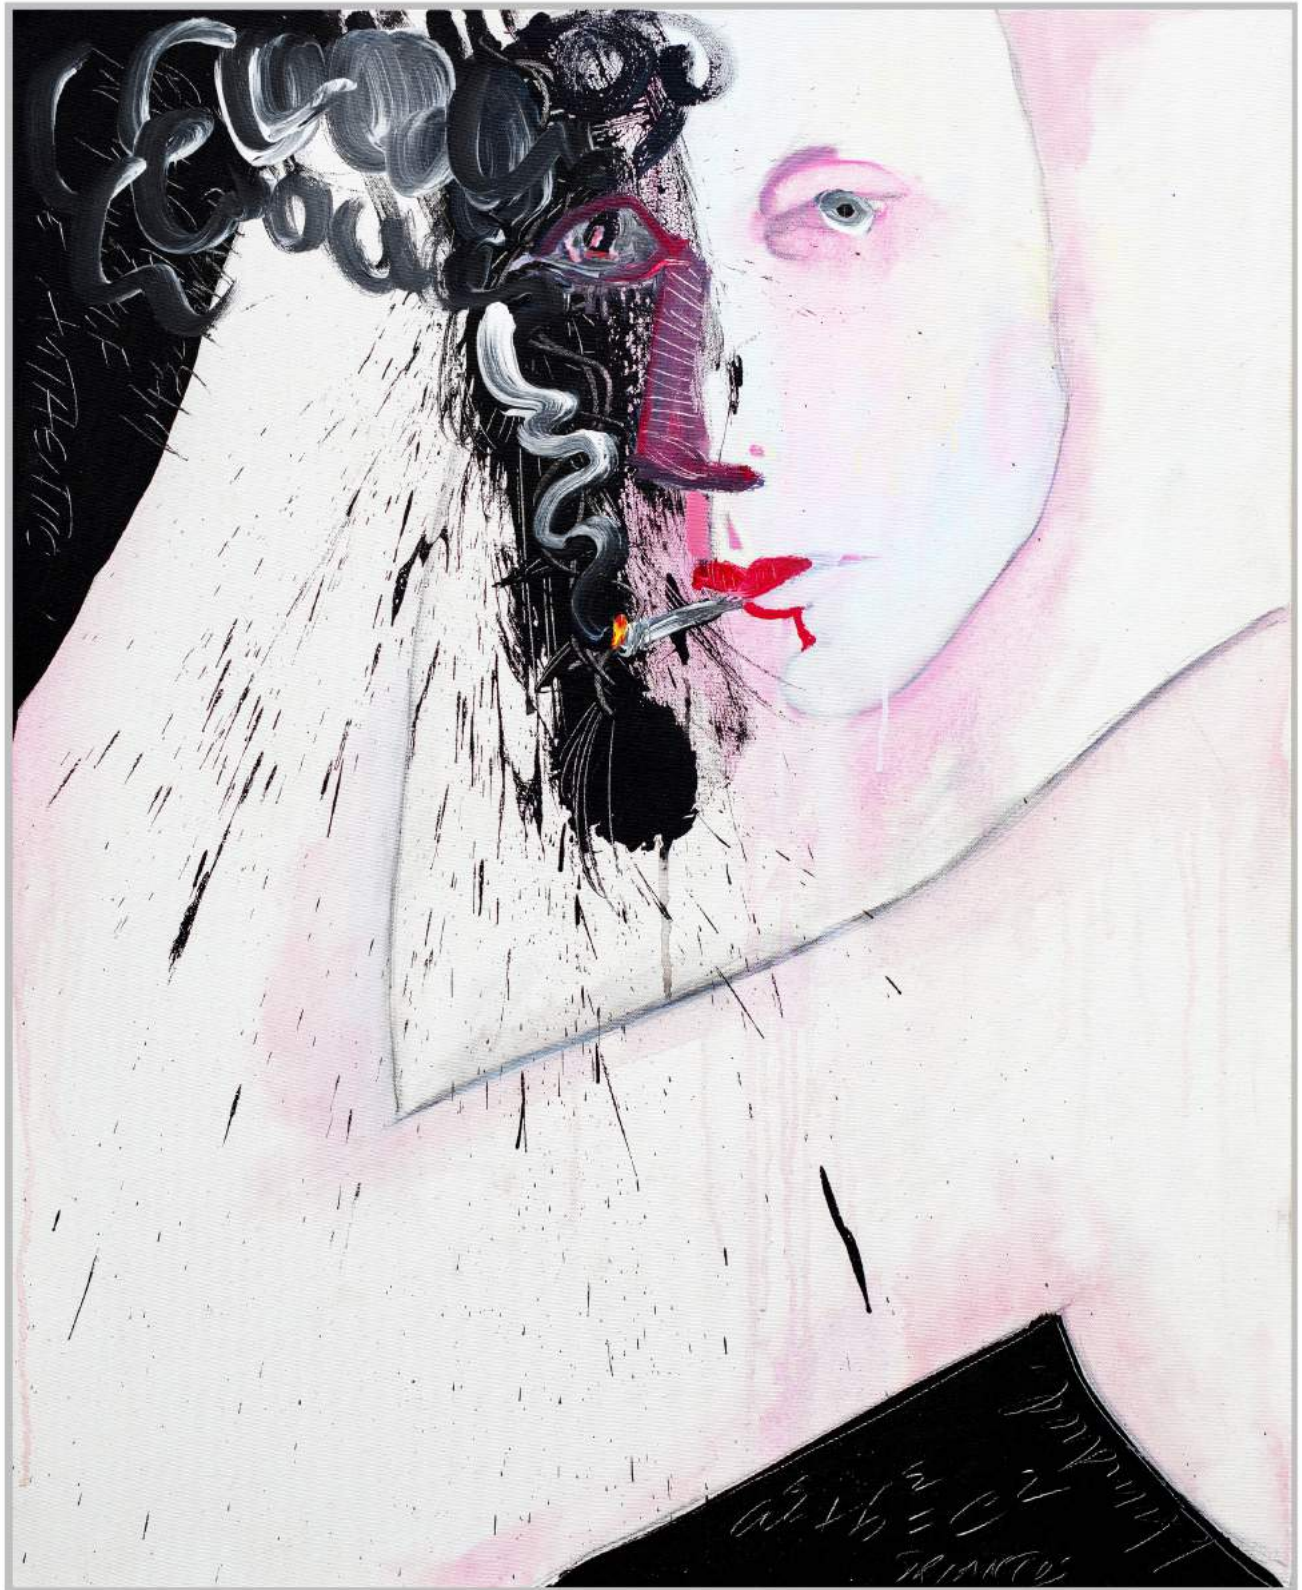

We are thrilled to share that Peter has also starred in a great new "Faith" documentary airing in the Spring, and a special "Trials and Tribulations" episode also airing soon! As a true visionary, Peter has been leading the NFT crypto world with UTU and has sold numerous NFTs. We have also been accepting crypto currency as a form of payment.

We've been receiving great responses for the striking, unique t-shirts Peter designed and released for his sensational Phunkx t-shirts line, incorporating his phenomenal artworks, now available at our YORKVILLE GALLERY.

We wish all of you a very happy Holiday season, and a Happy New Year filled with so much joy and love! Thank you and we look forward to seeing you soon in Peter Triantos Art Galleries!

Peter Triantos is an internationally acclaimed contemporary abstract artist who specialises in high-end, investment-grade fine art. His spectacular works have become countless prominent public and private collections' focus all around the world!

Basquiat designed The Offs's album cover in exchange for \$400, which he needed to pay his mother's rent. Limited edition screen prints of the original artwork were sold at Sotheby's for more than \$300,000 back in 2011. John Brower, of Venice Modern Art, who owns the entire inventory and rights to the record cover art by Basquiat, invited Peter to 'The Brilliance of Basquiat' show held at the Thompson Hotel, Toronto, in April 2019, for which Peter created a few breathtaking pieces celebrating Basquiat's glorious artistry.

Peter Triantos' thrilling one-of-a-kind paintings exhibited at 'The Brilliance of Basquiat' show at the Thompson Hotel, Toronto, and in Seoul, Korea, 2019.
