at 21 Avenue Rd, at Yorkville**

Anthony Ricciardi is a renowned multi-disciplinary artist from Toronto, Canada that has travelled internationally showcasing his artwork and murals. His collections have been showcased globally in major cities such as New York, Los Angeles, Miami, Manchester, Montreal and Sao Paolo. He has curated large scale artwork and clothing for notable celebrities such as Demi Lovato, Bad Bunny, Post Malone, Shaq and many more. Anthony has also collaborated with major brands such as Disney, Adidas, Coors Light and L'Oreal.

Anthony is more than just an artist and his story, isn't your typical. He went to Alabama State University on a baseball scholarship and spent five years working as an analyst for an investment fund but decided to leave the comfort and clout of corporate finance to pursue his true passion; art.

Anthony Ricciardi has now made his 2021 exclusive collection available. Anthony will be creating a total of 50 originals paintings over the course of the year. Limited pieces are available with allocations going towards current collector and investor base first.

Dear Friends and Family,

Now deep into the summer months it seems that many of us share that deep sense of fulfilled summer contentment. As we welcome in August we look to the things that matter the most in our lives, the things that give meaning. What's more meaningful than the profound conversations with friends and family about, and the innate provocations made by, energetic contemporary art?

We are beyond thrilled, then, to invite you to immerse yourselves in the new exclusive pieces from Peter Triantos: the celebrated 'Jelly Bean' series continues to take new directions as Peter experiments with a hand signed Limited Edition Collection; a new work from the Rock and Roll Forever exhibition is available due to high demand for the "Slash" pieces. Peter and Eric Hedrixx reimagine the work with a deep teal base as the legendary rock star plays his famed song "Sweet Child of Mine"; the Napa Valley works find deeper aquamarine and turquoise colours in their dynamic landscape abstractions; and the well-loved 'Splash of Colour II' series is getting bigger and more animated while Peter investigates polychromatic colour effects in his studio. We cannot wait to experience it with you!

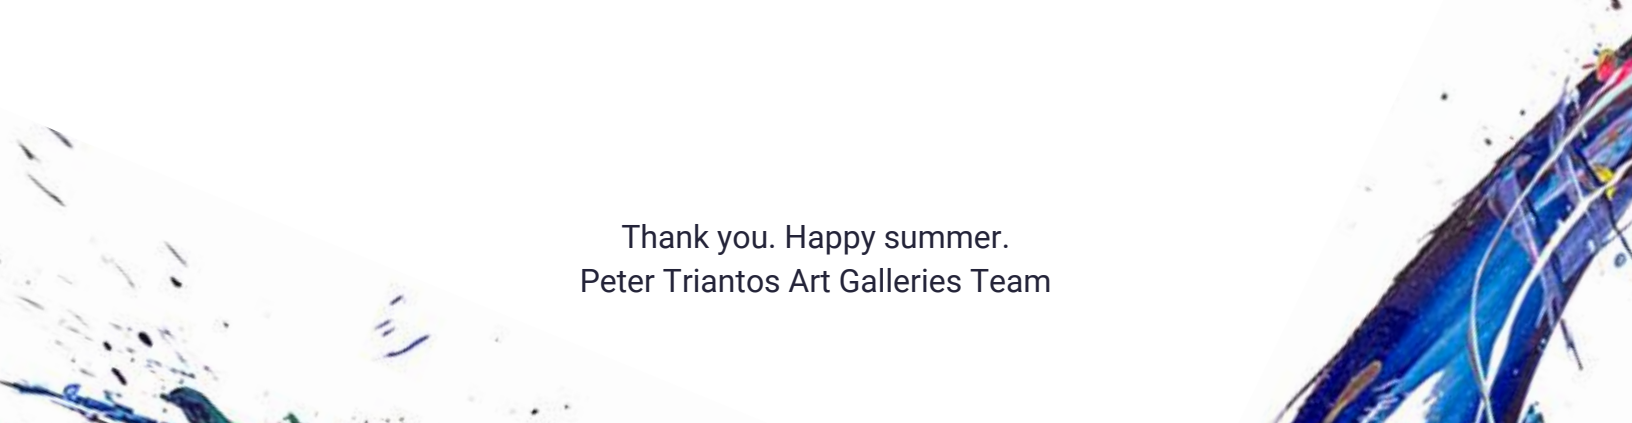

With Peter at the helm, our gallery strives for a continued support and growth of Toronto's contemporary art scene. That's why we are beyond excited to announce our showcasing of Toronto-based multidisciplinary artist Anthony Ricciardi. Ricciardi's collections have been shown globally in major cities such as New York, Los Angeles, Miami, Manchester, Montreal and Sao Paolo. He has curated large scale artwork and clothing for notable celebrities such as Demi Lovato, Bad Bunny, Post Malone, Shaq and many more. We will be showing his work in a curated exhibition at our Yorkville location at 21 Avenue Rd, M5R 1A8, in Toronto in August. Please find more about the exhibition in this catalogue.

Peter celebrates multiculturalism and fosters intercultural and multicultural dialogue through his stunning sculpture at the Italian Contemporary Film Festival (ICFF) presented by Lavazza in the Distillery District.

Please check out Roy Wood's (of Drake's OVO) music video for his song 'Bad Bad' filmed at Peter's studio.

Our Yorkville gallery hours at 21 Avenue Rd are 10am - 7pm from Tuesday to Saturday, and 10am - 5pm on Monday and Sunday.

Thank you. Happy summer.  
Peter Triantos Art Galleries Team
