Dearest Friends and Family,

With the weather warming up and looking forward to spring, we are excited to share with you some of this and last month's highlights.

We would like to thank all of our friends that came and participated in the "Art of Fashion" event at Lavelle and the amazing exhibition at Petros 82, Hotel X Toronto. Both events are full of great experiences and memorable moments.

We are thrilled to announce a long-anticipated Special Event on March 14th at Peter Triantos' private studio! The world-famous contemporary abstract artist Peter Triantos is launching a very special environmentally conscious project. At the event, Peter will be expressing various interpretations of climate change topics through live art with paint sponsored by Smog Armor. There will also be a music performance and we are sure this will be a unique experience, not to be missed.

Please view ahead for details.

We are also looking forward to seeing you at our galleries on Bathurst Street and Bloor Street in the Intercontinental Hotel.

We would like to take this opportunity to thank you for your continued support and look forward to sharing the extraordinary Peter Triantos art collection and his new spectacular pieces with you.

Enjoy the sunny days coming up!

Warmest Regards,

Peter Triantos Art Galleries Team

Peter Triantos was thrilled to have participated in 'The Art of Fashion' event on Friday, February 28, which took place at the upscale rooftop lounge of Lavelle in Toronto. This event, hosted by the Fashion Group International (FGI) of Toronto, explores the intersections of art, fashion, experimentation and creative design. It was very exciting to see Peter contributed to the event with live painting performance. The 'Black & White' abstract pieces Peter created onsite inspired many young art lovers and he will be donating one of his great pieces to help FGI raise funds to support their activities. Peter really enjoyed meeting designers and creative thinkers. Thank you so much for who joined us for the amazing night!
