

PETER TRIANTOS & **BLOOR** Street *Entertains*

Peter Triantos was pleased to donate his marvellous painting 'Mona Manson' to the prestigious silent auction at Bloor Street Entertains.

Bloor Street Entertains is Canada's largest fundraising gala in support of HIV innovative research, held by The Canadian Foundation for AIDS Research. This year's gala took place on November 25, 2021. All proceeds support ending the HIV epidemic in Canada.

Over 8 million in funds were raised in the past 22 years, for CANFAR's research and awareness programs. We are honoured to support such a great cause.
