PETER TRIANTOS SOLO EXHIBITION IN NEW YORK

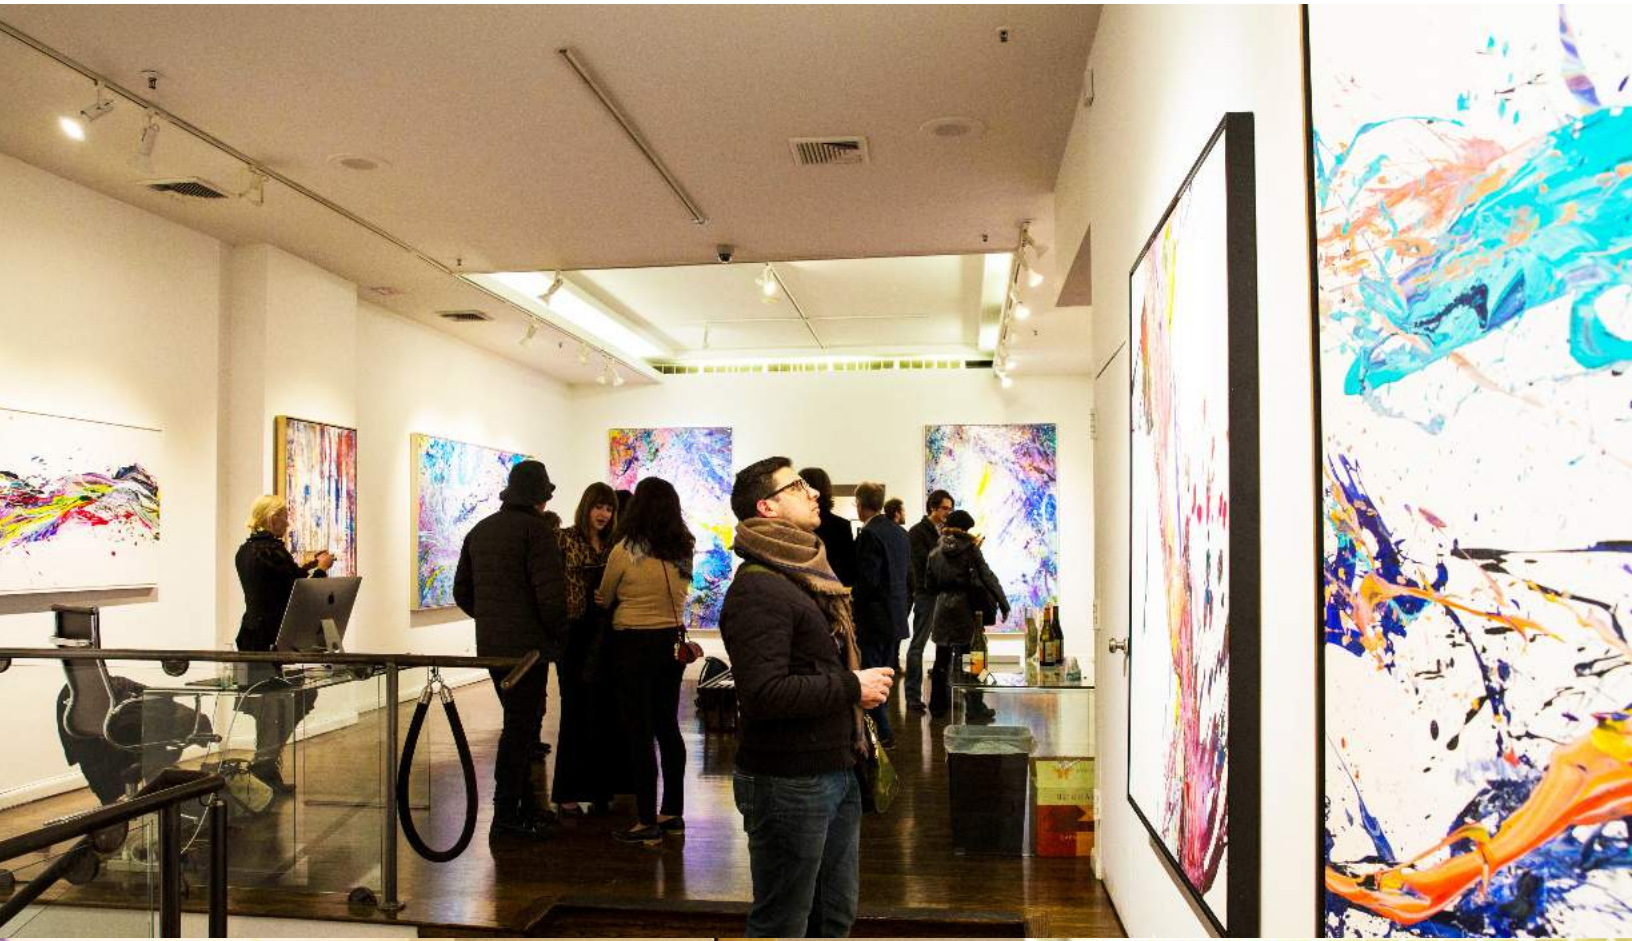

OASIS

December 14th marked the opening night of Canadian artist Peter Triantos' first solo show in the United States. 'Oasis' features phenomenal works from his sought after 'Napa Valley' and 'Splash of Colour II' series. The extremely well-received and stunning collection. His recent art show opening was a huge success! We received so many positive responses and the dealer has decided to extend the exhibition to next year. We are very proud to say that the New York Times admired Peter's exceptional works and George Wayne interviewed him and is working on a great story!
