The celebrated "Jelly Bean" series continues to bring joy, positivity and happiness to numerous collectors and amazing causes such as The Teddy Bear Gala - Children's Aid Foundation, Brain Cancer Canada and SickKids.

Peter was honored to have the legendary European Champion Euro 2004, Giorgos Karagounis, at his studio and created a custom piece for him. The electric and tempestuous "Storm" series piece was featured by Curiosity magazine, in a luxurious loft owned by a star of "The Real Housewives of Toronto". It was also a pleasure having OVO Sound's Ricch at our 21 Avenue Rd Yorkville gallery for a shoot with D-Snow. Collaborations with more rappers, artists and celebrities are coming up!

Peter Triantos was invited to perform live painting to celebrate a groundbreaking opening for the Hotel Vie - a chain of luxury hotels ready in 2024 designed by MATAJ Architects. It was also a pleasure hosting Mercedes-Benz' party and the Hellenic Canadian Board of Trade 2022 Business Awards event at our 21 Avenue Rd Yorkville gallery! Inquire about booking our luxurious venues below.

For your loved one, Peter Triantos' iconic limited edition "Jelly Bean" (32" by 32") print on paper collection will be the perfect holiday gift, with bold and mesmerizing colours of brushstrokes and the 'Jelly Beans' representing various positive ideals, faiths and love. Order your limited edition Jelly Bean piece today with the artist's graphite, blue or red signature - a great playful, yet sophisticated choice!

Continuing gallery hours at 21 Avenue Rd are 10am - 7pm from Tuesday to Saturday, and 10am- 5pm Monday and Sunday. Thank you and we look forward to seeing you in Peter Triantos Art Galleries!

Peter was glad to exhibit his spectacular artworks for City Couture in support of SickKids – an exclusive event accompanying a fashion show highlighting local Canadian designers.

All net proceeds are dedicated to a new, first-in-Canada Cellular Therapy Facility at SickKids Toronto, where SickKids will harness the power of the immune system – using a patient’s own cells – to fight diseases like cancer.

City Couture was a major success, attended by numerous high-profile individuals in the GTA, along with media personalities and other celebrities.
