Exhibition June 17-29!

THANK YOU for attending Peter Triantos' & Eric Hendrikk' fantastic 'Rock and Roll Forever' Grand Opening Friday, June 17 - a huge success and a sensational evening! Special thank you to sponsors, to our team and to Deputy Mayor Michael Thompson for your inspiring and amazing speech, celebrating the art and creativity of these two extremely creative members of the Toronto art scene.

Peter Triantos Art Galleries is delighted to have represented Eric Hendrikk as the first featured artist, whose emotional yet electrifying photography of iconic rock stars has been incredibly reimaged by the contemporary abstract artist, Peter Triantos, for a long-awaited collab!

The spectacular exhibition will remain open to the public through June 29th at 21 Avenue Rd between Cumberland and Yorkville! We've received countless positive responses and it is your opportunity now to acquire these very important works. Only a few pieces are available and proceeds from sales will benefit men's mental health!

What can be stronger than death! At least from our internationally-acclaimed artist's reimagined masterpiece, it's how his signature abstract colours will make you feel through the world of his imaginations! It's more than an amalgamation of blue, purple, yellow, ochre and other transformative colours. It is a feast of endless psychedelic emotions!

We want Fergie! We want to be more 'G-L-A-M-O-R-O-U-S'! More glamour is irrefutably to be seen through the amazing piece thanks to Peter Triantos's exclusive painting technique, 'diamond dusting' with more embellishments o blue fire! Fergie is hotter than fire after all!

"It's been a hard life but we're together and that's all that matters now" has truly inspired Triantos to embellish the amazing live capture with fire (reimagined in more stimulating turquoise) and sun, both conveying an ultimate sense of hope!
